

Spectrum Pediatrics

INFANT MASSAGE

ASHLEY GLASSER, MS, OTR/L

TUESDAY, JULY 1, 2014

6:30-8:30 PM

Please join us for an informative night with our occupational therapist, Ashley Glasser, about the basic fundamentals of infant massage. This includes the history of infant massage, the importance of touch to babies, and the overall benefits of the Infant Massage USA approach. Ashley will also be looking for some families that would be interested in participating in FREE infant massage classes. She will explain how to get selected and the structure of those sessions during her presentation. There will be opportunity for questions and answers following the seminar. We hope to see you there to take advantage of this wonderful new service at Spectrum Pediatrics!

THIS EVENT IS FREE!!

Location of Event:
Spectrum Pediatrics
2869 Duke St.
Alexandria, VA 22314

CALL OR EMAIL BY JUNE 27, 2014 TO REGISTER... SPACE IS LIMITED.

ASHLEY GLASSER: Ashley is an Occupational Therapist who received her B.A. degree in Psychology from the University of North Carolina at Chapel Hill and her M.S. degree in Occupational Therapy from Tufts University. Ashley's interest in helping children with disabilities, developmental delays, and various special needs began during her undergraduate education while working in a group home for young boys diagnosed with autism. Prior to graduate school, Ashley worked for three years as a special education teacher in a K-5 classroom for children with moderate to profound developmental disabilities.
